

Aníbal Luciano Olivera Morales

Last Update: jun/19/26

Personal Information

Nationality	Chilean
Mobile Phone	+56 9 93200262
Personal email	anibal.olivera.m@gmail.com
Academic email	an.oliveram@udd.cl
Personal webpage	aoliveram.cl

Education

03/2016 - 09/2019	B.Sc. in Physics , <i>Faculty of Physical and Mathematical Sciences</i> , Universidad de Concepción.
03/2020 - 04/2022	M.Sc. in Physics , <i>Faculty of Physical and Mathematical Sciences</i> , Universidad de Concepción.
03/2023 - Present	Ph.D. in Social Complexity Science , <i>Research Center for Social Complexity (CICS)</i> , Universidad del Desarrollo.
07/2024 - 03/2025	Diploma in University Teaching , <i>Faculty of Education</i> , Universidad del Desarrollo.

Honors and Awards

- | | |
|-------------|---|
| 2012 - 2015 | o Top Academic Achievement, Class of 2015, <i>Colegio Santa Sabina</i> . |
| 2022 | o M.Sc. Thesis Defense, awarded maximum distinction (7.0/7.0), <i>Universidad de Concepción</i> (UdeC). |
| 2025 | o Sunbelt 2025 Student Award: an annual recognition for young scholars, <i>International Network for Social Network Analysis</i> (INSNA). |

Scholarships and Grants

- | | |
|----------------|---|
| 2016 | o Enrique Molina Garmendia Scholarship Recipient, Class of 2016, <i>Universidad de Concepción</i> (UdeC). |
| 2023 - Present | o Grant: Beca Doctorado Nacional, <i>Agencia Nacional de Investigación y Desarrollo</i> (ANID). |
| 2025 - Present | o Grant: Beca Complementaria, Gastos Operacionales, with a score of 5.0 out of 5.0, <i>Agencia Nacional de Investigación y Desarrollo</i> (ANID). |

Grant Proposals

- 2026, Submitted o *Simultaneous Estimates of Disease and Behavior Spread Using Game Simulation Data*, NIH R21 grant proposal (Grants.gov #GRANT14678540), submitted June 16, 2026.
 PI: Thomas W. Valente (Department of Population and Public Health Sciences, Keck School of Medicine, University of Southern California); co-I: Andrés Colubri (Department of Genomics and Computational Biology, UMass Chan Medical School); collaborators: George G. Vega Yon (Division of Epidemiology, Spencer Fox Eccles School of Medicine, University of Utah) and Aníbal Olivera Morales (CICS, UDD).

Research and Academic Activities

Conferences

- 2019, Attendee o Winter School HEP-PUC, Topics on Gravitational, *Pontificia Universidad Católica de Chile* (PUC).
- 2019, Attendee o 2nd UdeC School on CFT and String Theory, *Universidad de Concepción* (UdeC).
- 2022, Presenter o 53rd Annual Meeting of the APS Division of Atomic, Molecular and Optical Physics.
 Online Poster: "Atom-atom van der Waals Interactions through a Lens".
American Physical Society (APS).
- 2024, Presenter o Computational Social Science 2024 Annual Conference, Santa Fe, NM, USA.
 In-person Poster: "How does network structure in Agent-Based Models affect epidemiological parameters? A large simulation study".
Computational Social Science Society of the Americas (CSSSA).
- 2025, Presenter o Sunbelt 2025, Paris, France.
 Oral Presentation: "Diffusion of Innovations with Individual Preferences: The Role of Social Reinforcement and Homophilic Ties".
International Network for Social Network Analysis (INSNA).
- 2025, Session Co-organizer o Sunbelt 2025, Paris, France.
 Session co-organized with Thomas Valente (USC): "Contagion and Diffusion processes through Social Networks".
International Network for Social Network Analysis (INSNA).
- 2026, Presenter o 2nd Chilean Summer School about Social Network Research, Santiago, Chile.
Pontificia Universidad Católica de Chile (PUC).
- 2026, Presenter o NetSci 2026, Boston, MA, USA — Satellite CPIN2 (Critical Phenomena in Networks).
 Oral Presentation: "When Homophily governs the Criticality of Social Adoption".
Network Science Society (NetSci).
- 2026, Presenter o Sunbelt 2026, Daytona Beach, FL, USA.
 Oral Presentation: "Networks Decide for Us: Imputed homophilic networks and the structural premium of diffusion".
International Network for Social Network Analysis (INSNA).
- 2026, Session Co-organizer o Sunbelt 2026, Daytona Beach, FL, USA.
 Session co-organized with Thomas W. Valente (USC) and George G. Vega Yon (UofU): "Contagion and Diffusion processes through Social Networks".
International Network for Social Network Analysis (INSNA).
- 2026, Presenter o 19th Annual Political Networks Conference (PolNet 2026), Manchester, UK.
 Oral Presentation (with Jorge Fábrega): "Networked Influence in a Tabula Rasa Legislature: Co-authorship, Ideological Dynamics, and Political Success in the Chilean Constitutional Convention".
University of Manchester.

- 2026, Presenter o 8th European Conference on Social Networks (EUSN 2026), Norrköping, Sweden. Oral Presentation: "Networks Decide for Us: The Emergence of Adoption in Homophily-Imputed Social Topologies".
Institute for Analytical Sociology, Linköping University (IAS).

Talks

- 2024, Speaker o 'How does network structure in ABMs affect epidemiological parameters? A large simulation study', Epidemiological Division, Internal Medicine, University of Utah (UofU), Salt Lake City, Utah.
- 2024, Speaker o 'New capabilities of netdiffuseR package: Multidiffusion models', Epidemiological Division, Internal Medicine, University of Utah (UofU), Salt Lake City, Utah.
- 2024, Speaker o 'How does network structure in ABMs affect epidemiological parameters? A large simulation study', Center for Applied Network Analysis, University of Southern California (USC), Los Angeles, California.
- 2024, Speaker o 'Social Contagion in Networks: Exploring Diffusion Dynamics and Research Insights', Research Center for Social Complexity, Universidad del Desarrollo (CICS), Santiago, Chile.
- 2025, Speaker o 'Networks Decide for Us: When Networks Shape Behavior More Than Intentions.', Centro de Investigación en Complejidad Social, Universidad del Desarrollo (CICS), Santiago, Chile.
- 2026, Speaker o 'Networks Decide for Us: When Networks Shape Behavior More Than Intentions.', III Jornada de Redes, Online.
- 2026, Speaker o 'When Homophily governs the Criticality of Social Adoption', NetSci 2026 — Satellite CPIN2 (Critical Phenomena in Networks), Boston, MA, USA.
- 2026, Speaker o 'Collaboration Networks in a Tabula Rasa Legislature: Tie Formation, Voting Behavior, and Legislative Success in Chile's Constitutional Convention', Research Center for Social Complexity, Universidad del Desarrollo (CICS), Santiago, Chile.

Workshops

- 2024, Instructor o *NetdiffuseR Workshop*. Center for Applied Network Analysis, University of Southern California (USC), Los Angeles, California.
- 2025, Instructor o *Understanding Diffusion with netdiffuseR*. Sunbelt 2025 (INSNA), Paris, France.
- 2026, Instructor o *Revisiting Surveys: A view from Complexity Sciences*. Summer School in Complex Systems 2026, Santiago, Chile.
- 2026, Instructor o *Understanding Diffusion with netdiffuseR*. Sunbelt 2026 (INSNA), Daytona Beach, FL, USA.

Publications

- 2022 o Olivera, A., Sinha, K., & Solano, P., *Dipole-dipole interactions through a lens*, Phys. Rev. A 106, 013703. doi.org/10.1103/PhysRevA.106.013703.
- 2024 o Valente, T., Vega Yon, G., & Olivera, A., *A NetdiffuseR Tutorial: Estimating Network Influences on Behavior within the Diffusion Paradigm*, Connections. [available as Connections-D-25-00002-].
- 2025 o Vega Yon, G., Valente, T., & Olivera, A., *The netdiffuseR R package: Analysis of Diffusion and Contagion Processes on Networks*, Journal of Open Source Software. [Under review].
- 2026 o Fábrega, J., & Olivera, A., *Same Score, Different Network: Configuration-Level Heterogeneity in Composite Risk Measures*, Applied Network Science. doi.org/10.1007/s41109-026-00815-1.
- 2026 o Olivera, A., Fábrega, J., & Valente, T.W., *Networks Decide for Us: Emergence of Adoption in Homophily-Imputed Social Topologies*. [available at Zenodo][https://doi.org/10.5281/zenodo.19360209].

- 2026, Under review o Olivera Morales, A., Miljkovic, K., Cao, Y., Piombo, S.E., Barrington-Trimis, J.L., & Valente, T.W. (corresponding author), *E-cigarette Cessation as a Disadoption Process: Social Network Influences on Stable and Temporary Quitting*, PLOS ONE. [Under review; Manuscript #PONE-D-26-32768].
- 2026, Under review o Cao, Y., Miljkovic, K., Piombo, S., Olivera Morales, A., Barrington-Trimis, J.L., & Valente, T.W., *Low Threshold E-cigarette Users: An Updated Two-step Flow Model*, Addiction. [Under review; Manuscript #7200805].
- Working o Olivera, A., & Fábrega, J., *Networked Influence in a Tabula Rasa Legislature: Tracing Co-authorship and Ideological Dynamics in the Chilean Constitutional Convention (2021-2022)*. [Working paper] [github.com/aoliveram/Networked-Influence-Chilean-Constitutional-Convention].

Journal Reviewer

- 2024 o Academic reviewer for the journal *Social Networks*, Elsevier Editorial.

Software Development

- 2026 o Vega Yon, G., Olivera, A., Valente, T. (2026). *netdiffuseR: Analysis of Diffusion and Contagion Processes on Networks*. doi:10.5281/zenodo.1039317, R package version 1.25.0, github.com/USCCANA/netdiffuseR.

Other Academic Activities

- 2019, Speaker o Physics Forums, Title: *Battle of Reality*. Aula Magna CFM, Universidad de Concepción (UdeC).
- 2022, Speaker o Science, Talks and Beer, Title: *Anthology of Physics, a selection of eternal ideas*. Castillo Bar.
- 2025, Web Development o Creation, design, and deployment of the official website of the Political Behavior Laboratory *PoliCICS*. Center for Research in Social Complexity, Universidad del Desarrollo (UDD). Visit: policics.github.io.

Teaching Experience

- 04/2019 - 01/2020 **Teaching Assistant**, *Universidad de Concepción*, Concepción, Courses in Physics I, Physics II, and Physics III for the core Engineering program.
- 07/2021 - 12/2021 **Teaching Assistant**, *Universidad de Concepción*, Concepción, Statistical Physics course for the final year of the B.Sc. in Physics program.
- 06/2022 - 12/2023 **Physics and Mathematics Teacher**, *Center for Improvement, Experimentation and Pedagogical Research*, Concepción
- 08/2022 - 12/2023 **Physics Teacher**, *Mozart Schule*, Concepción, Elective Physics course.
- 03/2024 - 05/2024 **Mathematics Instructor**, *Research Center for Social Complexity*, Santiago, Doctoral-leveling courses.
- 08/2024 - 10/2024 **Teaching Assistant**, *Research Center for Social Complexity*, Santiago, Network Theory. Lead instructor: Prof. Jorge Fábrega. Taught the applied sessions.
- 03/2025 - 05/2025 **Mathematics Instructor**, *Research Center for Social Complexity*, Santiago, Doctoral-leveling courses.
- 07/2025 - 09/2025 **Teaching Assistant**, *Research Center for Social Complexity*, Santiago, Network Theory. Lead instructor: Prof. Jorge Fábrega. Taught the applied sessions and supervised individual student projects.
- 10/2025 - 12/2025 **Teaching Assistant**, *Research Center for Social Complexity*, Santiago, Formal Political Economy. Lead instructor: Prof. Jorge Fábrega. Taught the applied sessions and supervised individual student projects.
- 03/2026 - 05/2026 **Mathematics Instructor**, *Research Center for Social Complexity*, Santiago, Doctoral-leveling courses.

08/2026 - 09/2026 **Teaching Assistant**, *Research Center for Social Complexity*, Santiago, Network Theory. Lead instructor: Prof. Jorge Fábrega. Taught the applied sessions and wrote the course book.

Research Experience

04/2024 - 04/2025 **Research Assistant**, *ANID*, FONDECYT 1231131.; The role of political expertise in collegiate decisions: The case of the 2021-2022 Chilean Constitutional Convention.

10/2024 - 12/2024 **Visiting Researcher**, *Division of Epidemiology, Spencer Fox Eccles School of Medicine, University of Utah (UofU)*, Salt Lake City, USA, Research stay under the supervision of Prof. George G. Vega Yon.

01/2025 - 05/2025 **Research Assistant**, *ANID*, FONDECYT 1210254.; Risk and Prognosis of Recidivism among Closed-Regime Inmates in Chilean Prisons.

03/2025 - 12/2025 **Research Laboratory Coordinator**, *Research Center for Social Complexity*, Santiago, Coordination of Political Behavior Research (PoliCICS).

04/2026 - 07/2026 **Visiting Researcher (Doctoral Internship)**, *Center for Applied Network Analysis, University of Southern California (USC)*, Los Angeles, Doctoral research stay under the supervision of Prof. Thomas W. Valente.

Skills and Interests

Languages English: Advanced Proficiency.

Programming R: Advanced Level.
Python: High Level.

Sports Mountain biking.
